

Small actions, big changes

# The choices you make can directly impact children's lives.

## ACTION 1

Do not engage in any sexual activity with any person under the age of 18 years. Do not seek assistance from any third party to engage in illegal activity with a child.

## ACTION 2

Instead of giving money directly to children begging or selling food or souvenirs, support their families and communities or reputable children's charities.

## ACTION 3

Always ask permission before taking photos of children and never take them anywhere alone without supervision and permission. Respect their parents and guardians.

## ACTION 4

Choose hotels and businesses that implement child protection standards.

## ACTION 5

If you see a child you believe is at risk of abuse, inform your hotel or tour operator, contact the local authorities or call **18001567** (free, 24 hours).
